

## Fireproof Fully Welded Trunnion Ball Valve PN16 / PN20 OEM Acceptable

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: OEM
- Certification: API, ISO, CE
- Model Number: DN 15~350,PN1.6~40
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood Cases
- Delivery Time: 15-60 Days
- Payment Terms: L/C, T/T
- Supply Ability: Based On Order

#### Product Specification

- Size: PN16/PN20
- Pressure: CL150
- Material: Carbon Steel, Stainless Steel
- Design: API6D, ASME B16.34
- Test: API 598
- Operation: Lever, Gear, Pneumatic Etc
- Highlight: **trunnion mounted ball valve**

## Product Description

### Heating Fully Welded Steel Ball Valve

#### Technical Specification:

Temperature & pressure :ASME B16.34

Wall thickness:ASME B16.34

Bore dimension:API 6D

Flanges dimensions:ASME B16.5,ASME B16.25

Test & Inspection: API 6D,API 598

Body material:A105,LF2,F304,F316 etc

#### Structural characteristics:

Fireproof structure design:

Anti-static design

Sealed emergency ambulance and valve lubrication

#### Valve seat structure design:

A. Single and piston seats are used in both upstream and downstream,B. Double piston seat is used in both upstream and downstream,C. Single piston seat for upstream and double piston seat for downstream:

The installation of the drive installation platform

Lengthen the valve stem:

Lengthen the bonnet:

Valve structure:three-body side-mounted forged welded structure

Welding structure characteristics:The welding of the left and right body and the middle body is carried out by a typical narrow-span submerged arc multi-layer welding.

Full Bore Main Size PN16/PN20/CLASS 150 :

#### Standard:

Design and manufacture conform to :API 6D

Connection ends to :ASME B16.5

Material according to ANSI/ASTM.

Trim materials: A105+ENP,13Cr,F304,F316

#### Advantage:

We offer the custom made valves, as per customer requirements

OEM with your own logo and brand

Exported to all over of the world

Quality Guarantee, available with API,CE,SGS and ISO certifications

Select us :

Design team: With professional design staff, Sample order is always welcomed

Professional factory: Specializing in manufacturing valves for many years, competitive price with good quality, the deadline usually is 30-45 days

Sample: We can offer sample in 3 days, but the shipment charge is usually beared by customerside, the fee will be deducted from agreed official order.

Quick response to your needs: We will answer within 24 hours, Welcome to contact with us if you have any problems, We are looking forward to cooperating with you.
