

Anti Static Trunnion Type Ball Valve , Manual Operation Flanged Ball Valve

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: OEM
- Certification: API,ISO, CE
- Model Number: 2"~24",CL150~CL2500
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: Plywood Cases
- Delivery Time: 15-60 Days
- Payment Terms: L/C, T/T
- Supply Ability: Based On Order

Product Specification

- Size: 2"~24"
- Pressure: CL150~CL2500
- Material: Cast Carbon Steel, SS, Duplex Steel
- Trim: Carbon Steel, SS, Duplex Steel
- End Connection: RF
- Operation: Manual
- Working Temp.: -20~300°C
- Certificate: CE API ISO
- Highlight: **trunnion mounted ball valve**

Product Description

API6D Full Port Trunnion Mounted Flanged Ball Valve

Design Features:

1. Full port or reduce port
2. Fire safe design ball valve
3. Double block and bleed
4. Sealant injection system
5. Cavity pressure relief
6. Blowout-proof stem
7. Anti-static ball valve
8. ISO 5211 top flange
9. Optional double piston design
10. Optional various actuator

Description:

trunnion mounted ball valve are widely used in gas process or transportation industry for conventional on-off, emergency shut off and quick opening and controlling the flow. The leakage rate of the soft seated trunnion mounted ball valves can reach rate VI or zero leakage. Top flange is designed per ISO5211 for easy amount various type of actuator.

Specifications:

- 2 pc side-entry cast steel type
- 3 pc side-entry forged steel type

Surface Treatment

We offer the following processes to choose:

1. Mechanical Polishing (MP) to improve brightness (gloss, matte)
2. Acid Cleaning for Anti-corrosion
3. Electrolysis Polish (EP) to improve surface smoothness
4. Custom Process: Bright Annealing treatment eliminate stresses to improve toughness

Advantage:

- 1, With over 20 years experience on valves.
- 2, OEM with your own logo and brand
- 3, Exported to all over of the world
- 4, Quality Guarantee, available with API, CE, SGS and ISO certifications
5. Cooperation with Carrier has improved our quality to a new level.

Select us :

Design team: With professional design staff, Sample order is always welcomed

Professional factory: Specializing in manufacturing valves for many years, competitive price with good quality, the deadline usually is 30-45 days

Sample: We can offer sample in 3 days, but the shipment charge is usually beared by customerside, the fee will be deducted from agreed official order.

Quick response to your needs: We will answer within 24 hours, Welcome to contact with us if you have any problems, We are looking forward to cooperating with you.
